

Developing Capable People®

Two Day - LEADER'S TRAINING PROGRAM

OUR CHILDREN AND TEENS ARE BEING CHALLENGED AS NEVER BEFORE!

- Teen pregnancy
- Alienation from family
- Family break-ups & Divorce
- Technology overwhelm
- Bullying, gangs & violence
- More children living in poverty
- Rising rates of depression
- Negative influence of the media

YOU CAN BECOME a *Certified Leader* of the Developing Capable People program, the most successful resiliency building program for children and teens in North America. Over one million adults have now learned about the **SEVEN KEYS TO RESILIENCY**, proven by over 25 years of scientific research to be of critical importance for our children and teens to acquire to achieve success in a rapidly changing world.

At this two day intensive Developing Capable People - Leader's Training Program, you will become *certified* to teach other adults how to develop capable, healthy and resilient children and teens in their own homes, schools and communities.
